

Hotel Sirio's rules for pets

We would like to introduce you our hotel's rules for pets. We love dogs, but we also want all guests to enjoy their stay in the hotel. We're asking you to accept and embrace our rules. No extra charges needed.

1. When you are making the reservation, let the staff know you'll have a pet in your room. You'll need to sign this Pet Rules Agreement and have with you pet's vaccinations book
2. Dogs are not allowed in hotel's restaurant
3. Please contact Housekeeping to make arrangements for room cleaning. Because we can't clean your room while you and your pet is present, we suggest you schedule a time during the hotel's normal cleaning schedule for us to clean while you are out and about
4. Pets shall remain within your control at all times, either on a leash or in a carrier. Pets may remain alone in a guestroom so long as the pet is well-behaved. However, if your pet is disturbing other guests/staff or causing damage, then it cannot be left alone and must remain in your control
5. We count on you to prevent your pet from making excessive noise, being disruptive or aggressive to other guests. If your pet is deemed dangerous, harmful or disruptive, hotel management has sole discretion to require you to find other accommodations. The hotel also reserves the right to contact animal control to have a pet removed
6. In case of continuing noise exposure, e.g. barking, we reserve the right to remove the dog from the hotel. Removal as a result of nuisance or pollution does not make the dog owner entitled to restitution
7. Dogs should be clean and dry before entering the hotel
8. Pets are not allowed on our hotel beds and chairs. If your room requires excessive cleaning, or if damages are incurred as a result of your pet's actions, the hotel may charge for additional services and repairs. We reserve the right to charge extra cleaning costs
9. If your dog causes damage to the hotel's property you have to report it. We'll charge you for it at hotel's reception. The hotels manager will estimate the cost of the damage

Thank you very much.
